- during the visit, the child or young person will have a tour of the school with the Head Teacher or designated staff member, meeting other staff members, as appropriate
- following a successful school visit, an offer of a placement with a suggested start date will be sent to the Local Authority

- any additional required resources can reasonably be provided
- pre-admission school and/ or home visits are carried out effectively
- post-admission placement meetings are informed by up-to-date detailed assessment and information

- a post-admission review takes place within twelve weeks. This meeting should endorse the placement and agree the details of a pupil's learning programme and any behaviour plan. All stakeholders should be invited to participate in this meeting
- risk assessments are carried out where possible prior to admission or upon admission and that these are reviewed as part of the post-admission review and regularly thereafter
- there is a systematic approach for maintaining the Admission Register and for keeping admission records, in line with current legislation
- all relevant documentation (contracts, permissions etc.) has been signed by the appropriate Local Authority personnel/ parent/ carer prior to admission

## **7.0 ADMISSION REGISTER**

The school keeps an Admission Register which contains an index of all the pupils at the school and the following information about each pupil:

- Unique Pupil Number (UPN)
- name in full
- gender
- the name and address of every person known to the school to be a parent of the pupil and, against the entry on the register of the particulars of any parent with whom the pupil normally resides, an indication of that fact and an emergency telephone number
- day, month, and year of birth
- day, month and year of admission or re-admission to the school
- name and address of the school last attended, if any
- leave date, when the pupils leaves the school
- leaving destination:
  - that when a leaving pupil's destination is given as another school, the school has verified this new school as a legally registered provider
  - that where the leaving pupil's educational destination is unknown, or is not given as a legally registered school, this has been reported to the local authority in a timely manner.

We will inform the relevant local authority of any pupil who is going to be deleted from the Admission Register where they:

- have been taken out of school by their parents and are being educated outside the school system, e.g. home education
- have ceased to attend school

- have been certified by the school medical personnel as unlikely to be in a fit state of health to attend school before ceasing to be of compulsory school age, and neither he/ she nor his/ her parent has indicated the intention to continue to attend the school after ceasing to be of compulsory school age
- are in custody for a period of more than four months due to a final court order and the Proprietor does not reasonably believe they will be returning to the school at the end of that period
- have been permanently excluded.

The local authority will be notified when the school decides to delete a pupil from its register under the above circumstances. This should be done as soon as the grounds for deletion are identified, but no later than the date the pupil's name is deleted from the register. It is essential that schools comply with this duty.
